ART MAQANI

Winger

My name is Art Maqani. I am in the class of 2025. I am a winger and my secondary position is forward. I consider my speed and vision to pick out a pass or shot in the final third to be one of my best strengths. I play with passion and desire to win by outworking my opponents. I believe my passion and work ethic to win the ball and get my teammates involved is what sets me apart from my peers. I am a fast winger who is smart in his decisions and does whatever the team needs me to do to win. I want to play in a program that will help me develop my skills both on and off the ball. It would be great to be a part of a program that values dedication, a strong work ethic, and wants to constantly improve.
