

CADEN GREEN

GENERAL BIO

My name is Caden Green and I am a freshman at Godwin High school. I am a center midfielder, and my secondary position is center defensive mid. I consider my ability to distribute the ball to be one of my best assets. I play with passion and the desire to win by outworking my opponent. I believe that my work ethic and dedication is what separates me from my peers. I strive to develop my skills everyday, so i can be the strongest player for my team . My coaches and teammates have described me as a technical player who can distribute the ball into the right areas, strong leader, and an aggressive player that will do anything to win.

I aspire to play for a program that will challenge me and provide an opportunity to achieve the highest youth level (ECNL and MLS Next) and then to become a starting college player. Eventually want to become a pro player and be able to play with the USMNT.
