### HIGH SCHOOL

GPA: 4.04  
High School: Cosby High School

## BIO

My name is Corinne Jenkins and I am in the class of 2025 from Yorktown, Virginia. I play the outside back position and center back for Richmond United U16 ECNL. I am a quick player who takes players on in the attack to create goal scoring opportunities for my team as well excel in my one on one defending. I am vocal and help to keep the back line organized. I have a high soccer IQ and can read the game well which allows me to complete good penetrating passes through the lines.

My overall goal is to be a better person and player on and off the field. I enjoy learning from others to help myself grow in all aspects of the game and then share my knowledge with others. I aspire to play in college and play for a program that has a positive environment.
