LANDON BEASLEY

GENERAL BIO

My name is Landon Beasley. I am a outsideback and my secondary position is winger. I consider speed to be one of my best assets. I play with passion and the desire to win by outworking my opponent. I believe that my positioning and awareness are what separates me from my peers. As an outside back I love making combination plays with my wingers and midfielders in order to get up the field and get a cross off. Furthermore, I strive for defensively to stay in perfect formation leaving as little gaps as possible in the back line. Moreover, my physically while defending makes it difficult for the opposing team to get past me 1 on 1. I aspire to play for a program that has a very competitive environment and will let me show what I am capable of
