

# MATTHEW QUIÑONES

Winger , Foward

My name is Matthew and I am in the class of 2025. I play primarily winger and forward. I would consider myself to have a lot of pace and acceleration. I have the ability to play good long balls and am able to put accurate and dangerous crosses into the box. I am also have a good heading ability both in attacking and defending. I am very aggressive when defending and have great stamina. I always give 110% every time I step on the field with a goal of trying to constantly improve and develop my game.
