PLAYER STATEMENT

My name is Monique McEnhimer and I am part of the class of 2026 from Richmond United U16 ECNL. I play forward and am a very versatile player who can use both feet. One of my biggest strengths includes my ability to beat players one on one with my speed as well as being a quick dribbler who creates good crossing situations. I also have the ability to score goals and am able to get in behind and finish my chances. I am a technical player who can hold the ball up at my feet and can distribute passes well.

My overall goal is to be a better person and player on and off the field. I enjoy learning from others to help myself grow in all aspects of the game. I will always give 110% on the field and in every training and game.
