

MACKENZIE GATHERS

Midfielder

My name is Mackenzie Gathers and I am in the class of 2026 I am from Mechanicsville, Va. I play the 8, 10, and 6 and I would consider my shooting to be one of my best assets. When playing the 8, I am able to shoot well from distance with accuracy.

I play with passion and a desire to win and outwork my opponent. I believe that my ability to create chances for my team separates me from many of my peers.

My overall goal is to be a better person and player on and off the field. With dreams of playing in college, I train very hard and always put 110% effort in to my training sessions and games.
