OWEN HERRING

CENTER BACK

My name is Owen Herring and I am in the class of 2025. I am from Richmond, VA and I play the center back, and I would consider my decision-making to be one of my best assets. When playing, I have been described by my coaches and teammates as a stellar passer and someone who uniquely sees the field and makes the right play. I play with passion and a desire to win and outwork my opponent.

My overall goal is to become a strong, contributing defender and I aspire to play for a program that will push me to become an outstanding student and athlete.
