

RAQUAN BRYANT

GENERAL BIO

I excel at holding up the ball, dribbling in tight spaces and bringing others into the attack, while also being a tenacious presser and hard worker when we don't have possession. My finishing abilities and knack for being in the right place at the right time have led to double-digit goals each of the last two seasons. I'm comfortable with both feet and have the versatility to play as a RW, CF, as well a LW or on the right side of the pitch.
