

# ROMAN GAMMINO

## CENTER BACK

My name is Roman Gammino and I am in the class of 2025. I am from Richmond, Virginia. I play center back and I would consider my one-on-one defending to be one of my best assets. When playing center back, I'm always the last man back and I'm always thinking about the best place I can be to help the team as a whole. I have been described by my coaches and teammates as a leader who has high soccer IQ, has good chemistry with the rest of the team no matter who I am playing with, and can be relied upon to win an important 1-on-1 situation. I play with passion and a desire to win and outwork my opponent. I believe that my ability to read the field and find the right pass and my competitiveness separates me from many of my peers.

My overall goal is to improve in anyway possible as much as I can. I aspire to play for a program that will foster a sense of community within the team. With dreams of playing in college and maybe beyond, I want to be prepared to excel at the next level. I can do this by always giving everything I have, practicing hard, and not losing sight of what I'm trying to achieve.
