

# RYAN PARKER

CLASS OF 2027

## GENERAL BIO

My name is Ryan Parker, and I am from Mechanicsville, VA in the class of 2027. My primary club team is the Richmond Strikers Elite where I primarily play either attacking-mid (10) or center-mid (8). I would describe my playing style as both tactical and physical. When on the attack, I use my speed and agility to make scoring runs. However, when I am controlling the middle, I am always trying to think ahead and ensuring our team maintains position or wins the ball back quickly.

I have been described as passionate, hard-working and a natural leader by my coaches and mentors. I play with a desire to win and motivate my teammates to raise our play to dominate our opponents. My overall goal would be to continue to play at the highest level possible either in college or professionally. I am going to get there by continuing to outwork everyone on the pitch and to lead my teams to play at the highest level we can.
