

SAHIL CHAVAN

WINGER/CDM

My name is Sahil Chavan and I am in the class of 2027 I am from Richmond, Virginia. I play the 7, 11, 9, and 6 and I would consider my dribbling to be one of my best assets. When playing Forward/Midfield, I take control of the game, make smart passes, and set up possible scoring opportunities. I have been described by my coaches and teammates as a leader who is technical, hard working, and consistent. I like to bring a sense of competition and excitement to training. I play with passion and a desire to win and outwork my opponent. I believe that my technical ability separates me from many of my peers. I hope to play college and professional soccer overseas.

My overall goal is to be a better person and player on and off the field. One of my biggest goals is to be one the best players in the world. I aspire to play for a program that will develop my skills and win titles. With dreams of playing in Europe, I want to be prepared to excel at the next level. I am willing to put in as much work as needed to achieve my dreams.
